

REMARKS

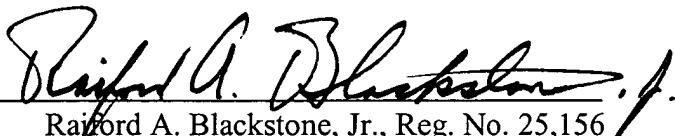

Applicant has preliminarily amended the title to ensure that it accurately describes the invention. Applicant requests that the Filing Receipt reflect same. In addition, Applicant submits a revised Application Data Sheet reflecting the full name for the second inventor, Martin Paul Friedrich Kramer, and requests that this be entered.

As Applicant is not aware of any prior art which would anticipate or would render obvious the claims of the present invention, early allowance is requested.

Should the Examiner have any questions regarding this Amendment, the Examiner is invited to contact one of the undersigned attorneys at (312) 704-1890.

Respectfully submitted,
